

Specifications

Insertion Loss:

$\leq 0.15\text{dB}$ Typical Single mode

$\leq 0.25\text{dB}$ Typical APC

$\leq 0.50\text{dB}$ Typical Multimode

Return Loss:

Ultra (UPC) $\geq 55\text{dB}$

Angle (APC) $\geq 65\text{dB}$

Durability:

1000 Mating Cycles

Operating Temperature:

-40°C to $+85^{\circ}\text{C}$

Features

Tight tolerance ferrules for low loss performance

Pull-proof design prevents signal interruption

Teflon tube in rear of connector ensures clean epoxy injection

Available with 0.9mm, 1.2mm, 2.0mm, 3.0mm, flex, and 45° / 90°
boots in multiple colors

Applications

FTTH

DAS

Datacom

Telecom

Broadband

Compliances

EIA/TIA-604-3

IEC 61754-4

Telcordia-GR-326-CORE

RoHS
